

WELCOME TO TALIESIN WEST

PRIVATE EVENTS AT TALIESIN WEST

Set in the foothills of the McDowell Mountains, Taliesin West is one of Frank Lloyd Wright's most personal creations. Wright's vision and legacy continue to thrive at this unique location.

A desert escape just minutes from the resorts of Scottsdale, Taliesin West is unlike any other location in the Valley of the Sun to host your event. Here your guests will have the opportunity to engage with Frank Lloyd Wright's vision and legacy at the only National Historic site in Scottsdale, and one of two UNESCO World Heritage sites in Arizona. Take a private tour of the property, enjoy a performance on an acoustically perfect stage while sipping a glass of wine, and wow your guests with a dinner overlooking the Valley at sunset. Soak up the history, innovation, and awe that can only be found at Taliesin West.

GARDEN SQUARES

OUTDOOR · SEATS 250 · STANDING 350

With views of the Music Pavilion, Wright's Studio, and the McDowell Mountains, the Garden Squares are the perfect venue for groups large or small. This space can be adapted to fit your group's needs, while your guests are fully immersed in the wonder of Wright's work and the beauty of the desert.

THE KIVA

INDOOR · SEATS 13 · STANDING 20

The Kiva is a hidden treasure at Taliesin West. Named after an underground chamber used by Pueblo Indians, the Kiva was one of the first structures built on the property. Once used as a dining room, film screening room, lounge, and library, there is no limit to the uses of this space for intimate gatherings. Perfect for meetings or an exclusive dinner, the Kiva is the most private space on the property.

THE MUSIC PAVILION & PAVILION TERRACE

INDOOR/OUTDOOR · SEATS 108 · SEATED DINNER 80 · STANDING 175

A blend of Wright's passions for the arts and bringing the outside in, the Pavilion is a multi-functional hall that can be used for exhibitions, performances, dining, and more. The theatre's interior includes a series of curtained backdrops that can be arranged to change the depth of the stage, and a uniquely crafted roof that illuminates the room, day or night. Connected to the Pavilion is an outside Terrace filled with the many sculptural masterpieces by Wright's former apprentice, Heloise Crista. The Terrace is a stunning place to watch the sunset.

THE PROW, SUNKEN GARDEN, & SUNSET TERRACE

OUTDOOR · SEATS 200 · STANDING 250

The Prow is a beautiful terrace overlooking Scottsdale and Camelback Mountain, with amazing sunset views Wright referred to as “standing on the rim of the world.” With three distinct adjoining areas creating a natural flow, your guests will feel at ease as they absorb the full beauty of the Sonoran Desert, while sipping on a drink and marveling at the sky full of stars.
