CREATE AN UNFORGETTABLE EXPERIENCE AT TALIESIN WEST

In the foothills of the McDowell Mountains, Taliesin West was designed by Frank Lloyd Wright over 80 years ago. One of the most influential architects of the 20th century, Frank Lloyd Wright's career spanned more than 70 years and produced such iconic buildings as Fallingwater and the Guggenheim Museum. With each masterful design, Wright forever influenced our relationship with architecture and our idea of how to live in balance with nature.

A National Historic Landmark and UNESCO World Heritage Site, Taliesin West is Wright's former residence, studio, and architecture school that today is the home to the Frank Lloyd Wright Foundation. Vibrant, historic, and unique, Taliesin West is also the perfect setting for your private event, photoshoot, brand experience, or corporate retreat. The nearly seamless blending of indoor and outdoor spaces sets Taliesin West apart, creating a truly immersive and memorable experience for your guests.

THE PROW & SUNSET TERRACE

OUTDOOR · SEATED 200 · STANDING 250

The Prow is a simply unique outdoor space overlooking Camelback Mountain and Scottsdale's cityscape. With three distinct adjoining areas creating a natural flow, your guests will feel relaxed and in awe, taking in the amazing sunset views and the surrounding Sonoran Desert. Being on this beautiful terrace Frank Lloyd Wright once compared to "standing on the rim of the world" with its amazing sunset views, we're sure you'll agree.

THE MUSIC PAVILION & PAVILION TERRACE

INDOOR/OUTDOOR. TIERED THEATRE SEATING 108. SEATED ON STAGE 80
STANDING ON STAGE 125

A multi-functional hall, the Pavilion is a versatile venue that optimizes privacy for your guests. Dramatic and unique, the space is known for its optimal acoustics. Featuring a series of curtained backdrops that can be arranged to change the depth of the stage, the Pavilion is a favorite choice for exhibitions, performances, lectures, dining, and more. Outside its double doors is an intimate gathering space partially encircled by foliage and punctuated by the stunning sculpture of Wright apprentice, artist Heloise Crista. Often the perfect spot for a bar, registration table, or musicians, the Pavilion Terrace is a lovely space to enjoy the outdoor ambiance of Arizona.

GARDEN SQUARES

OUTDOOR · SEATS 250 · STANDING 350

With the McDowell Mountains in view and surrounded by Wright's distinctive, historic architecture, the Garden Squares are truly an immersion into Taliesin West for your guests. A blank canvas that can be tailored to whatever event experience you envision, the Garden Squares are ideal for groups both large and small. While this space has our largest capacity, the versatility of the Garden Squares means it will beautifully accommodate a sit-down dinner for hundreds of guests as easily as it can be reimagined for more intimate, secluded gatherings.

THE CABARET

INDOOR · TIERED THEATRE SEATING 40 · SEATED ON STAGE 30
STANDING 50

The drama of the Cabaret Theatre is unmistakable: its low ceiling and desert masonry walls create an intentional intimacy in signature Wright fashion. Here, guests can enjoy presentations and performances while dining comfortably at the upholstered seating and drop-leaf tables Wright designed over 75 years ago. The space's subtle slope and unique shape allow for unimpeded views of the small stage as well as optimal acoustics.

THE KIVA

INDOOR · TABLE SEATING 13 WITH ADDITIONAL BENCH SEATING ON TWO WALLS · STANDING 20

The Kiva is a hidden treasure at Taliesin West. Named after an underground chamber used by Pueblo Indians, the Kiva was one of the first structures built on the property. Once used as a dining room, film screening room, lounge, and library, there is no limit to the uses of this space for intimate gatherings. Perfect for meetings or a small dinner, the Kiva is the most private space on our historic property.

THE PERGOLA

OUTDOOR · SEATED 100 · STANDING 100

Transformed from being a central passage through the heart of Taliesin West's historic core into an event venue, this beautiful, narrow space abuts the Drafting Room on one side and a hedge of vivid, verdant bougainvillea on the other, with the wide-open Garden Squares just beyond it. Semi-sheltered by the wooden beams above, the Pergola is a versatile space, easily reimagined with long family-style tables for sit-down dinners or set up with bars and high-tops to create an inviting lounge atmosphere.
